The class of 1968, composed of students from Wilton Elementary and Middlesex Elementary, entered M.H.S., in 1963, and united into a class relationship. From then on we began a friendship among ourselves and fellow students that we shall cherish forever.

We participated in sports, clubs, assemblies, discussions, Forensics, the Junior-Senior Prom, and Senior play. During our glorious years we experienced moments of happiness, and moments of reasoning.

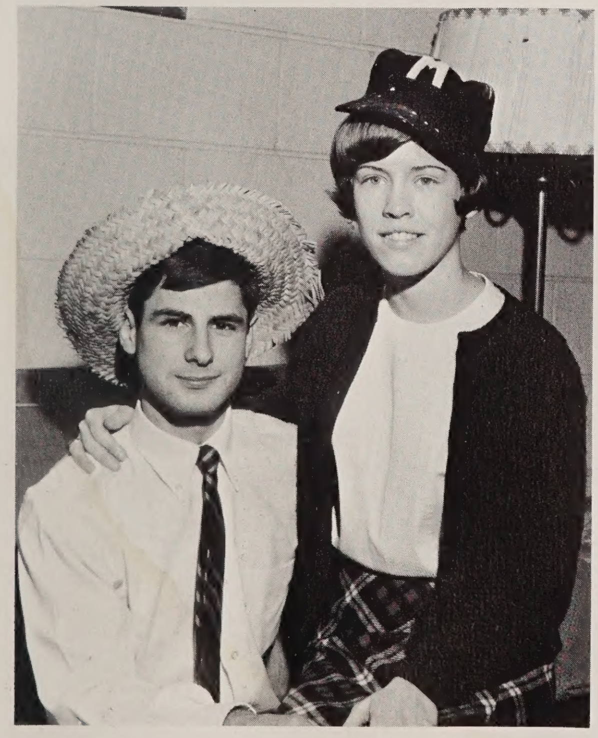
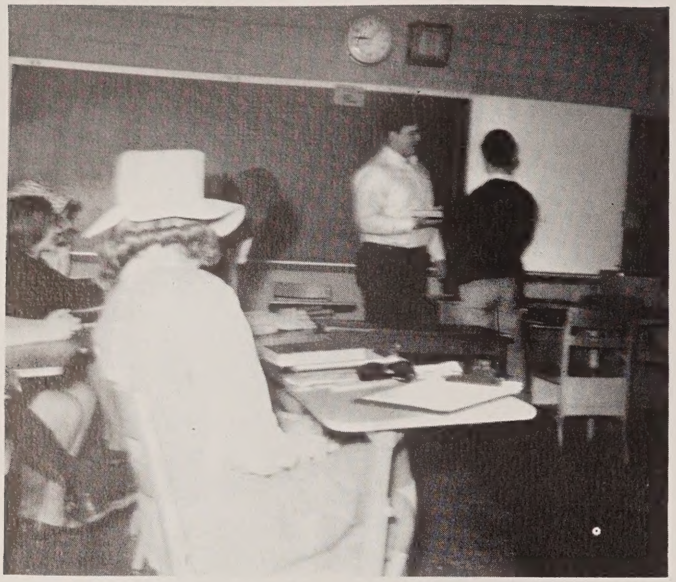
The Seniors of the Class of 1968 wish to express their gratitude and appreciation to each teacher who has played a role in their school life. We realize that without the wisdom, understanding, kindness, and firmness of our teachers we could never have reached our Senior Year. We only hope that we can do our very best in the future to show the teachers of M.H.S. that their time and effort were spent for a worthy and deserving class.

# BEST DRESSED



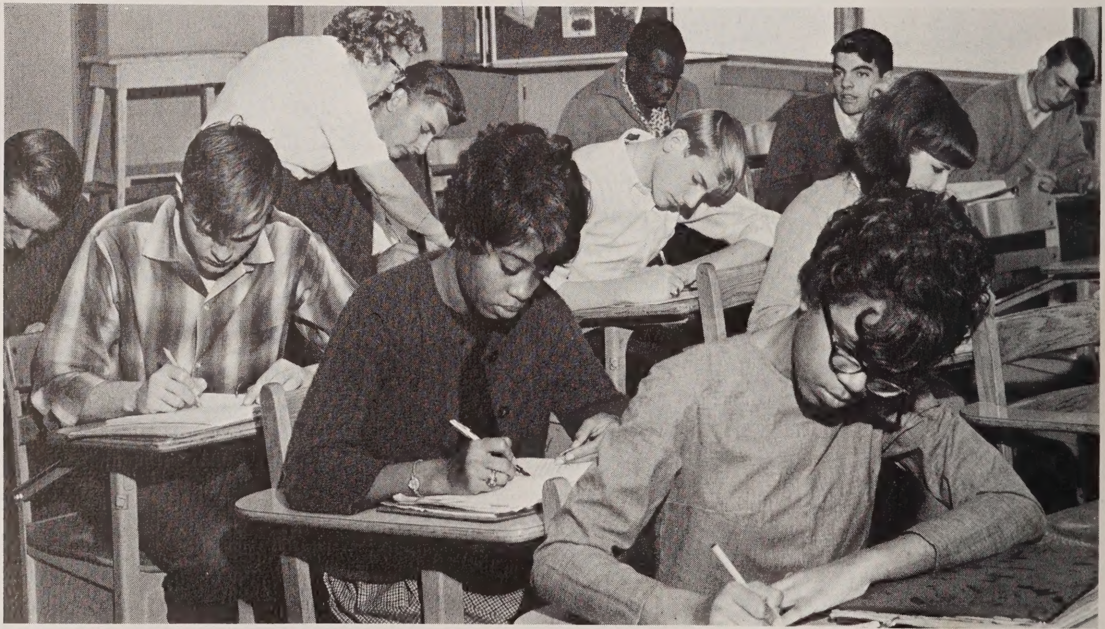
Diane and Butch

Now we realize that each of us must go our separate ways. Through our five years of sharing joy, sorrow, work and play we have added many strong links to our golden chain of friendship. A world, exciting and challenging, is before us. As we go on living our lives as godly people, may we recall the memories of our high school days that were so important in helping to form our lives.



Will Butch really tell the truth?

Who wants to eat at a time like this!



Mrs. Gray really kept their pens going.

# JUNIOR CLASS

The Junior Class enjoyed participating spiritedly in many phases of school life this year. The big class project was, of course, planning for the Prom. The class raised money for it by having a coat check at home basketball games and by topping the magazine campaign goal. What really made them feel like Juniors was taking College Boards and ordering class rings. As the year closed, the Juniors were anticipating with eagerness and enthusiasm an exciting Senior year.

# S.C.A.

The student government of M.H.S., has worked to promote organized meetings, create good school morale and basic knowledge and understanding of our form of government. We hope through our efforts we have helped in these fields. The SCA has worked entirely for the students. What the students wanted the SCA wanted. We hope that we have helped each individual in some way.

The S.C.A. this year has been working hard to promote good spirit within the halls of M.H.S. The first project of the year envolved a toy drive in which the whole school worked hard to gather toys for children in Vietnam. During football season the S.C.A. helped school spirit greatly with the Bon fire, selling of the spirit pins, football dance, and making of line markers for the football field.

To highlight the year we had the Mr. Saxon Contest, won by Billy Faulkner. Projects which followed were the Hootenanny emceed by Mr. Brown, powder puff football game, and the annual Thanksgiving drive for money for our sponsored child in Formosa.

We feel that the success of the S.C.A. this year opens the doors to a bright future.

# QUILL AND SCROLL

The Quill and Scroll is an International Honorary Society for High School Journalists. Requirements for membership include maintaining a "C" average and contributing to some high school literary work. We are pleased this year to have chosen for the organization a chapter name which is The Douglas Southall Freeman Chapter.

The Quill and Scroll is responsible for the publication of the Saxon Review, Saxon Herald, Middlesaxon, and its newest publication, the Little Saxon, an elementary publication.

OFFICERS, Left to right; Kathy Vance, Secretary-Treasurer; Betty Stallings, President; Barbara Davis, Vice-President, Reporter.

I think Mrs. Gray just read the Saxon Review.

# SAXON REVIEW

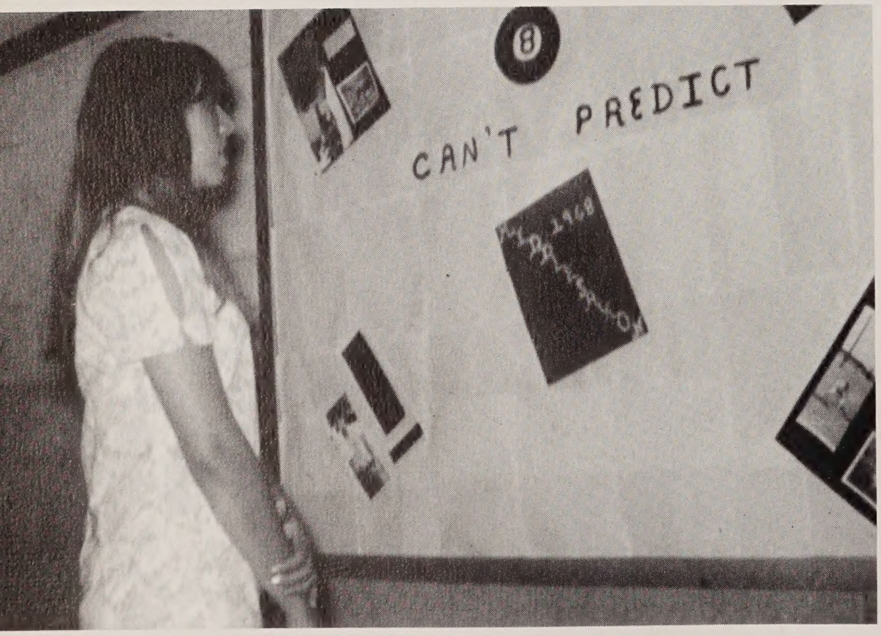
STAFF, Left to right; Michele Alexander, Sharon Fitchett, Laura Mattox, Betty Rector, Asst. Editor; Carolyn Anderton, Editor; Carol Mason, Harriett Darst, Al Selby.

The purpose of the Saxon Review is to promote an independent interest in art and journalism among the students. Each student is given the opportunity to contribute. The magazine, published twice a year, has received praise from both students and faculty.

EDITORIAL STAFF, First row, Left to right; Debra Dozier, Asst. Editor; Diane Stover, Editor; Betty Stallings, Copy Editor. Second row; Al Selby, Boys Sports Editor; Marleen Bareford, Asst. Copy Editor, Linda Mason, Girls Sports Editor; Butch Ailsworth, Sales Manager.

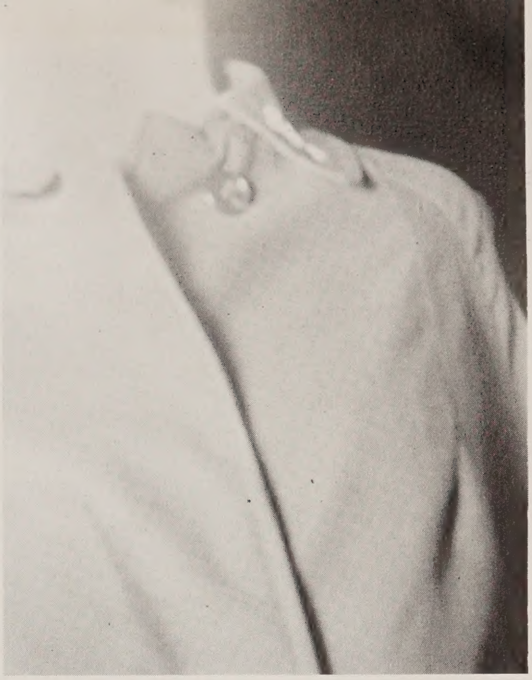
# MIDDLESAXON

There is nothing more rewarding than to work on a book of memories like the Middlesaxon. Even though there are times when the editor and staff must struggle to meet the deadlines each moment is spent for the other students of M.H.S. Each member of the yearbook staff has devoted time and effort to securing ads, writing articles, and helping the editor in any other way that they can. The annual staff hopes that this yearbook contains and will hold forever your fondest memories of 1968.



Michele admires the Middlesaxon's bulletin board.

Linda fails with the new camera!



Diane and Debra discuss plans for the Middlesaxon with Miss Glenn.

# SAXON HERALD

The Saxon Herald began publishing in 1966 as part of the Southside Sentinel, replacing a mimeographed sheet formerly printed at school. Weekly issues provide current news to the student body and public.

Editors and their assistants, each having specific duties, assign and write articles which are then handed to the editor-in-chief and the adviser for final proofreading. Copies are sold during activities period to students and faculty with a sharing of profits between the Sentinel and the Saxon Herald.

Regular articles which appear weekly include an editorial, Senior Personality Snapshots, sports activities, and an occupational column.

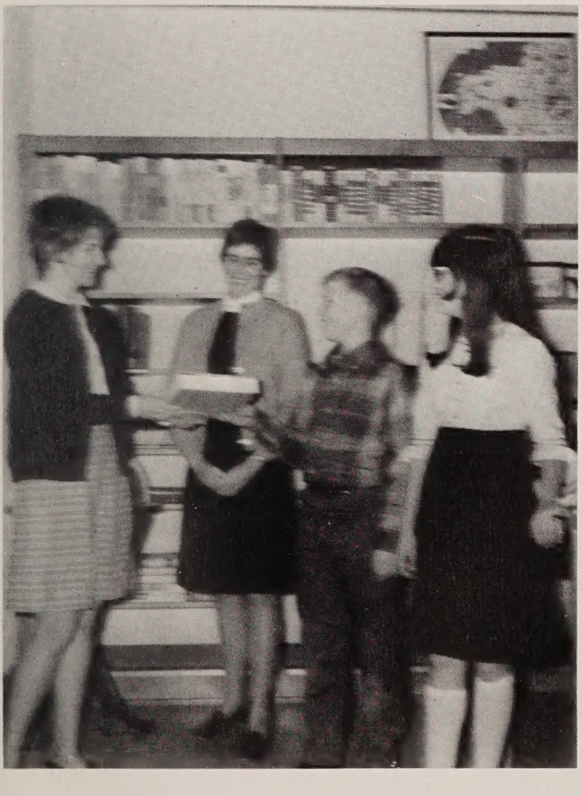
Karen Carper, editor, and Helen McKann, asst. editor, discuss plans for the paper.

BUSINESS STAFF, Left to right, First row; Mary Kay Clarke, Kay Creech, Sharon Fitcheet. Second row; Ray Rodgers, Sue French, Myra Hurd. Third row; Lottie Powell, Barbara Davis, Laura Mattox.

STAFF, First row, Left to right; Debra Marshall, Marleen Bareford, Kathy Vance, Editor; Roberta French. Second row; Lottie Powell, Kay Greech, Sharon Fitchett, Myra Hurd, Ginny Reynolds, Ray Rodgers.

# LITTLE SAXON

The Little Saxon is the newest member of the publications which the students of M.H.S. publish. Along with the high school staff there are two elementary students who collect the news from the teachers. Since the Little Saxon is only two years old the staff has had to work exceptionally hard to bring the Little Saxon to the level of journalism which the other publications have obtained through several years of hard work.



Kathy presents a book to the Little Saxon Elementary staff members, Sandra Hogge, Glen Wyatt, and Mrs. Barlowe, the librarian, which was purchased by the staff.

MEMBERS, First row, Left to right; Anita Croll, Helen McKann, Terry Davis, Connie Anton, Shirley Williams, Brenda Clarke, Brenda Cottee, Maureen Hunt, Myra Hurd, Kathy Walden, Connie French, Beverly Anderton, Delores South, Vickie Green, Sheila Moore. Second row; Sharon Fitchett, Alva Foster, Beverly Thacker, Dotsie Putney, Carolyn Hall, Diane Mears, Kathleen Kellar. # LIBRARY CLUB

Under the supervision of Mrs. Mercer the library has purchased many new books this year. Among them are excellent reference books such as the Century Encyclopedia of Names.

Library assistants helped with routine work of library for several periods a day. They assisted Mrs. Mercer by checking in and issuing books at the desk, keeping books shelved, and filing cards for the card catalogue. Because of their co-operation, Mrs. Mercer had more time to help students with their selection of books and research material.

The club was active this year by having a bake-sale, starting a children's hour at the Urbanna Library, and other activities to let the public know more about the library. Another achievement was the annual tea with the F.T.A. in honor of the teachers of the county.

The progress of the library has added greatly to the entire school.

OFFICERS, Seated, Carolyn Anderton, President. Standing, Left to right; Helen McKann, Treasurer; Sheila Moore, Vice President; Mrs. Mercer, Sponsor; Connie French, Secretary; Cary Bunting, Reporter.

OFFICERS, Seated; Betty Stallings, President. Standing, Left to right; Barbara Davis, Reporter; Deborah Dozier, Vice President; Laura Mattox, Treasurer; Mary Kay Clarke, Secretary; Mrs. Bristow, Sponsor.

The F.T.A. is known throughout our school for its fine work and aid for the school. In the cafeteria each day members sell ice cream to help raise money. From this money each year a senior is given a scholarship.

This year the F.T.A. sold school record books to help raise money also.

Three delegates were sent to the convention in Richmond, which was enjoyed by each one.

As students assist teachers, they earn points toward an F.T.A. pin.

MEMBERS, Left to right; Linda Verlander, Secretary; Debbie Tye, Vice President; Mary Jackson, Treasurer; Georgia Hartman, President; Helen McKann, Asst. Reporter; Ginny Reynolds, Asst. Reporter; Mrs. Payne, Sponsor.

# FRENCH CLUB

Le Cercle Francais has achieved many goals this year although the membership of the group was small. Our largest project was devising the minature city of Paris. Other means were used to become acquainted with France, such as through penpals and by having interesting programs at our meetings. Through these ideas we learned more of the wonderful French people and their culture.

MEMBERS, First row, Left to right; Mrs. Bareford, Sponsor. Second row; Roberta French, Johnny Taylor, Larry Chowning, Nancy Dameron. Third row; Kathy Vance, Allen Scales, Benja Callis, Ray Rodgers, Pat Thrift. Fourth row; Laura Mattox, Georgia Hartman, Linda Mason, Mary Kay Clarke. # MONOGRAM CLUB

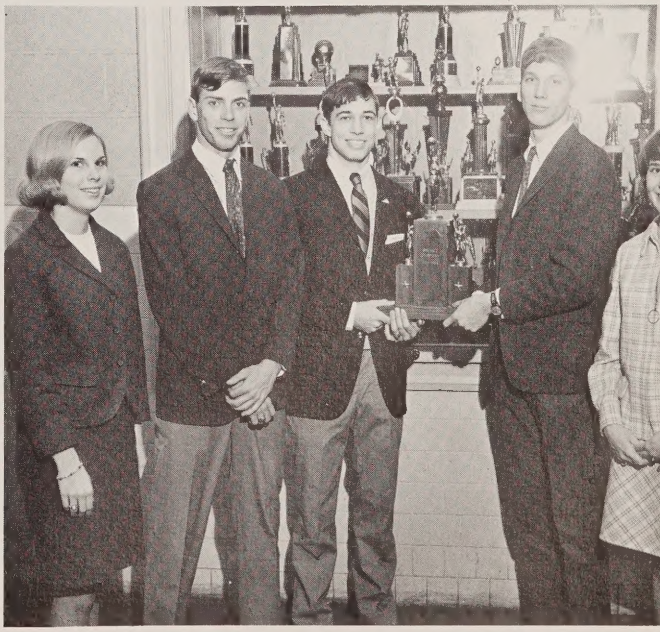
The Monogram Club is composed of students who have lettered in a sport. The club helps promote school spirit and aids the athletic department with its funds. The Monogram Club is honored and respected by everyone in the school.



OFFICERS, Left to right; Barbara Davis, Reporter; Larry Chowning, Treasurer; Al Selby, Vice President; Wayne Hall, President; Roberta French, Secretary.

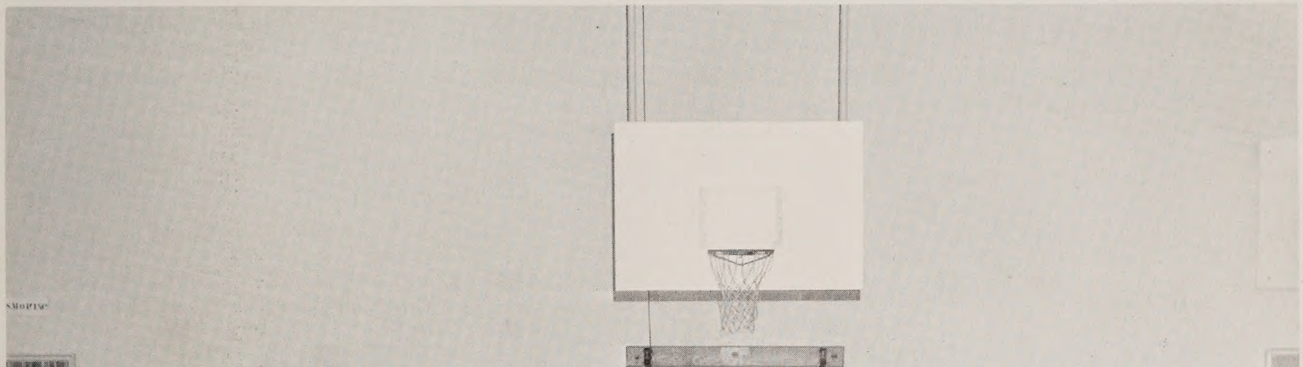
# BAND

The marching band members were worried that this year there was not going to be a band, because we had no one to direct us. Because of the enthusiasm of the members Mrs. George Tjossem consented to give of her time to be our director. We worked each day after school on the half-time show for each football game. We went to several away games to help cheer our boys on to victory and to raise school spirit more during half-time. The band as usual marched in the Oyster Festival parade.

Band Officers: Left to right; Carolyn Horton, Librarian; Max Pierce, President; Connie French, Secretary-Treasurer.



Concert Band: First row, left to right; B. Hubbard, C. Anton, B. Anderton, M. Hudgins, H. Southall, P. Schacht, C. Davis, T. Ward, J. Mears, C. Croll, S. Harrow, N. Prince, B. Davis, N. Dameron, G. # F.H.A.

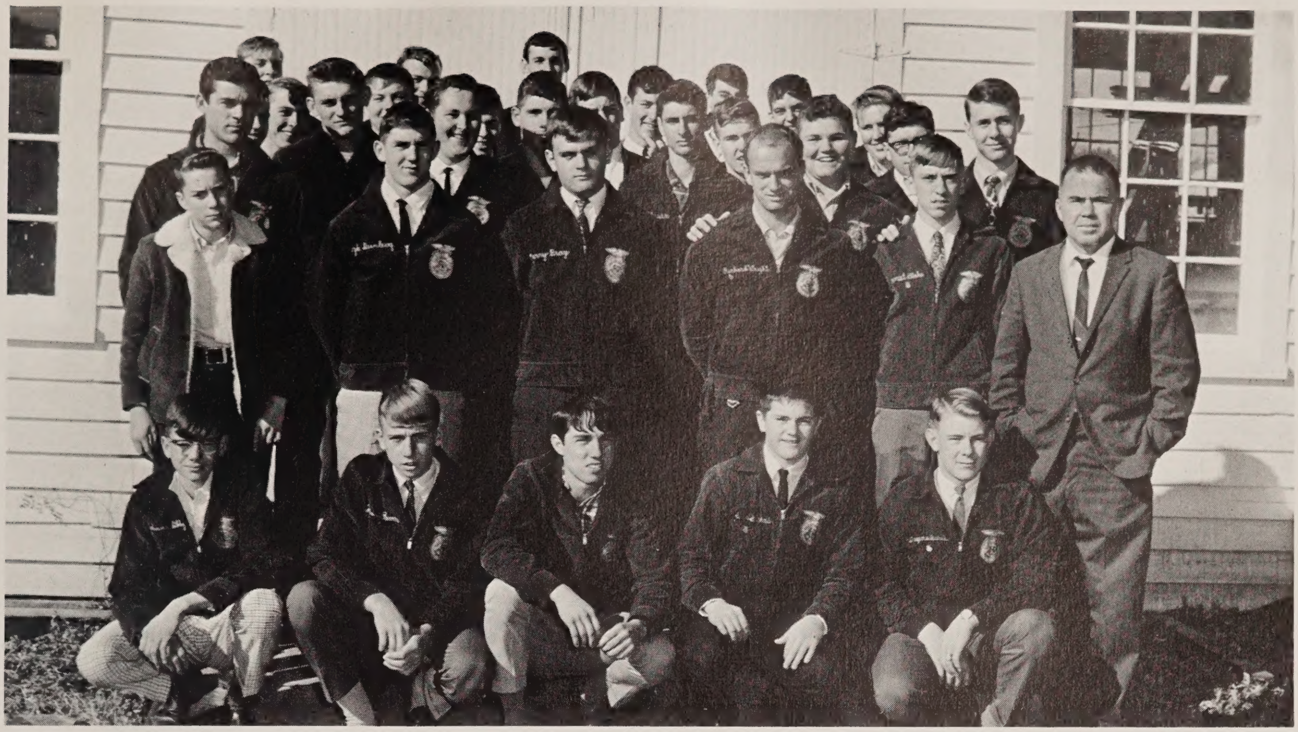
The Future Homemakers of America strive to prepare today's girl for the future. F.H.A. members learn the skills of sewing, home management and meal preparation.

Annual activities of the F.H.A. are the preparation of a luncheon for the Quill and Scroll and a trip to the State Fair to observe exhibits of other homemakers throughout the state.

Most certainly, these girls will leave M.H.S. better prepared for the future.

OFFICERS, Seated, Left to right; Diane Regensburg, Vice President; Delores Sibley, President; Linda Palmer, Secretary. Standing; Sharon Fitchett, Historian; Shirley Thrift, Reporter; Diane Mears, Treasurer.



MEMBERS, First row, Left to right; Johnny Sibley, John Revere, Chuckie Leasure, Dean Sickal, Wayne Burch. Second row; Ricky Willis, Hugh Dunlevy, Jerry Bray, Richard Wright, Ernest Blake, Mr. Via. # F.F.A.

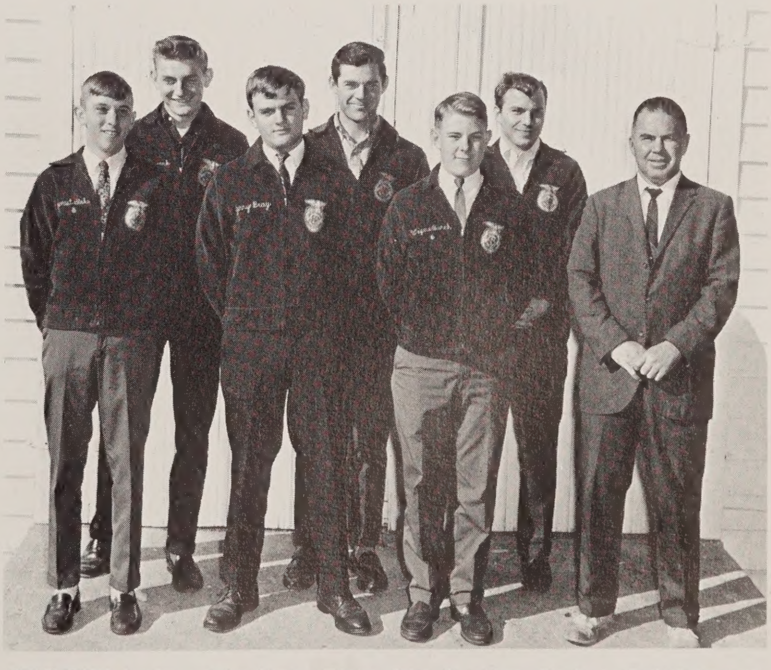
The Future Farmers of America, in order to give training in Agriculture to its members, sponsored contests and activities in varied fields such as forestry judging, rifle shooting, soil judging, tractor driving, farm mechanics, and public speaking. These competitive contests ran from local to national level. In addition to the contests, the F.F.A. provided recreation and entertainment for its members to create a well-rounded program. This included a donkey basketball game.

Each year, the F.F.A. presents a program to the student body, and this year along with the program they presented each faculty member with a pine compote.



OFFICERS, Left to right; Ernest Blake, Vice President; Herbert Clark, Reporter; Jerry Bray, President; Louis Hurley, Sentinel; Wayne Burch, Treasurer; Rusty Fary, Secretary; Mr. Via, Sponsor.

# CHOIR

The Choir of Middlesex High consists of three groups: Concert Choir, Student Choir, and The Special Sixteen. Although there was a change in this year's director, the choir stuck together and progressed well throughout the year.

The Special Sixteen was active again this year. The group provided M.H.S. with a traveling choir which sang when the entire choir could not attend.

The Choir and Special Sixteen were again important activities to the members and the school this year. Our director, Mrs. Chowning, worked patiently with each group to make the M.H.S. Choir of '68 one of the best.

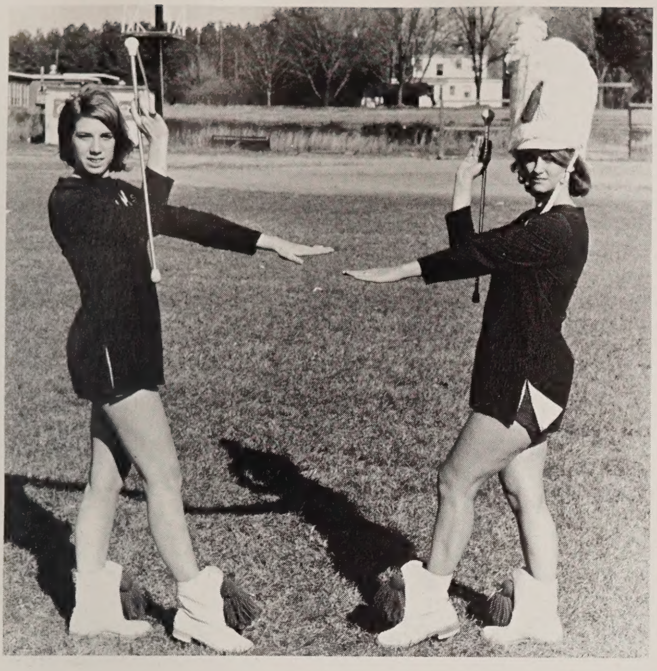
# SAFETY PATROL

The main purpose of the Safety Patrol is to promote safety at school, on the buses, and at other school activities. This year for the first time an outstanding patrolman was named for each month. The Safety Patrol has done an outstanding job to attain its purpose this year.



# MAJORETTES

This year the majorettes did a great job leading the band as well as giving that added touch to half time shows. They proudly twirled in their new uniforms of navy blue corduroy with white monograms.

Connie French, head majorette, and Roxanne Taylor are quite proud to be majorettes.

# CHEERING SQUAD

Again this year the cheerleaders have been working hard, cheering football players, and girls' and boys' basketball teams to victory. To prove how hard they did work, the cheerleaders sent four representatives to camp. They brought back a white ribbon and seventeen new cheers. Also, the cheerleaders worked hard last summer preparing for the coming season.

From the money the cheerleaders made last year, they bought initial navy sweater vests, and navy tennis shoes to go along with their navy pleated skirts and white blouses. The cheerleaders really look great out on the floor in their sharp uniforms of which they are very proud.

The cheerleaders have worked hard to promote school spirit at M.H.S. They have had new ideas for bulletin boards and pep rallies. They believe the response that the students are giving them and the Saxons at games and rallies is fabulous. They also have high hopes that school spirit will continue.

These girls cheer for thier last year.

The cheerleaders really look great in their new uniforms.

Linda Palmer and Sheila Moore proved to be great alternates.

The girls think it's a little nippy for cheering.

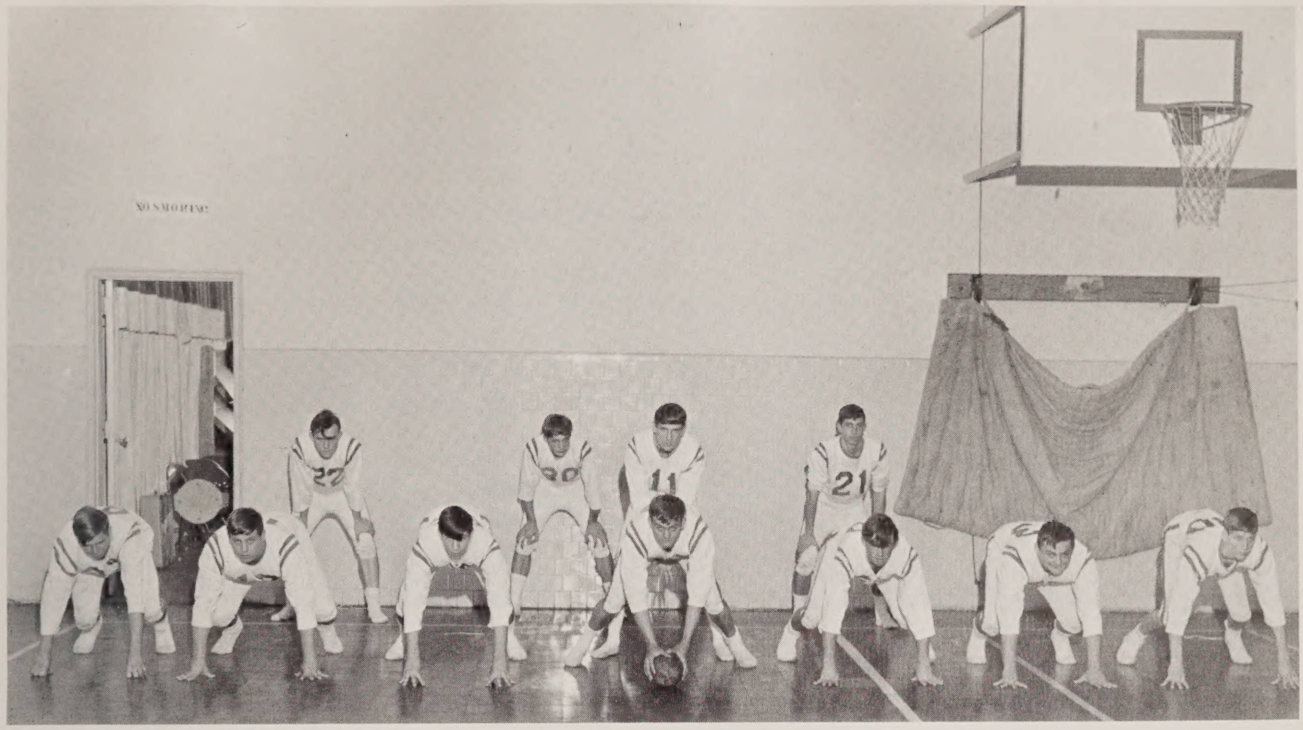
TEAM, First row, Left to right; Larry Chowning, Butch Ailsworth, Wayne Hall, Al Selby, John Taylor, Coach Robinson. Second row; Mgr. Larry Burch, James Collier, Tommy Brane, Allen Scales, Vince Hadad, Tony Walton. Third row; Tommy Weston, Bill Maul, Arthur Walden, Jerry Bray.

# FOOTBALL

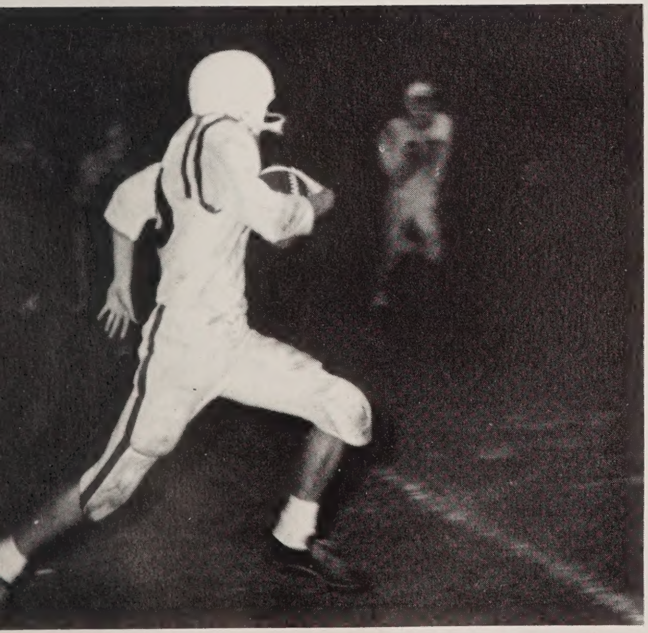
Coach Robinson talks with Co-captains, Larry Chowning and John Taylor.

After beating New Kent for the first time in many years, the season just had to be a success, and a success it was. With the New Kent game as a booster, the fighting Saxons went on to win five in a row before losing to Tappahannock. Then came the climax of the season, the Championship game. The Saxons played brilliantly, both offensively and defensively, only to fall by one touchdown 13-6.

The Saxons success could not have been possible without the expert coaching of Tom Robinson.



Hard-nosed Saxon Offense.



Chowning sprints for a T.D. against Rappahannock!

Last year for these boys.

# BASKETBALL

The Saxon basketball season was very unpredictable. Some nights, the Saxons could beat the best in the district, then again they could lose to the worst team. The highlight of the season was the defeat of West Point, who are District Champs, by a score of 79-73. Towards the end of the season, the Saxons went into a slump, losing the last seven out of eight ball games. However, when tournament time came around the "pschyed-up" Saxons proved again they were a top-notch ball club by beating New Kent by a score of 69-47. The next game with the much taller Mathews team, the Saxons lost 78-52 to finish in a tie for third place.

Captain Hall scores two!

Selby tries for two big ones.

Think he'll make it, Ray?

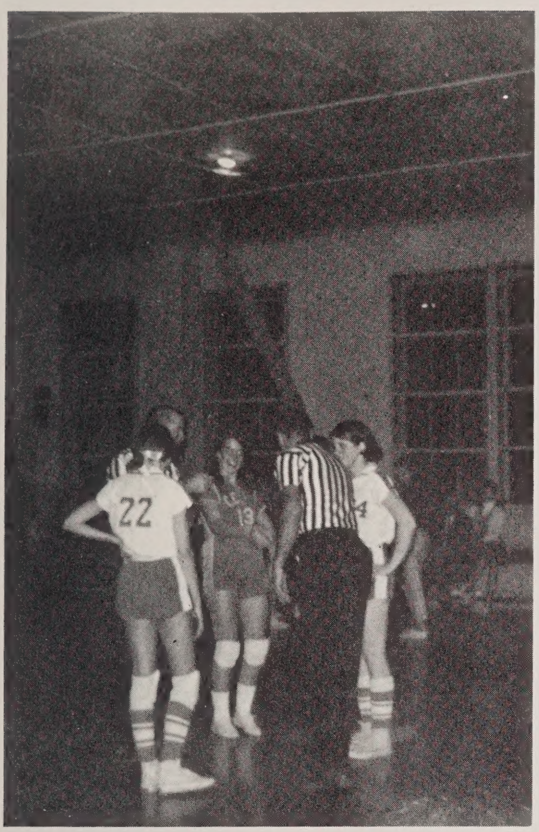
# GIRLS' BASKETBALL

The Saxonettes began their season with determination and high spirits. Under the strong coaching arm of their new coach, Tom Robinson, the girls showed a great deal of improvement. However, they didn't do as well as they would have liked. Their overall record was three wins and five losses. Although they suffered defeat quite a few times, they never gave up hope.

The girls learned the value of working together as a team and the fun of good, clean, sporting competition, which helped to make the season a successful one after all. The team was also honored when Debbie Tye was chosen for the All-District Team.

Coach Robinson chats with co-captains Linda Mason and Georgia Hartman.

The ref seemed to amuse her.



Jump high, Roxanne!

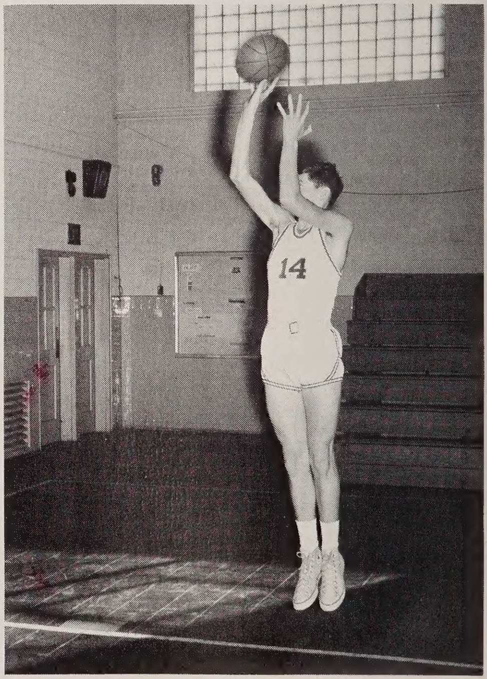
# JUNIOR VARSITY BASKETBALL

After a shaky start, the J.V. Basketball Team finished by winning five of their last seven games. Led by David Barrick's jump-shots and Everette Wright's ball-handling the Saxons finished with a 6-6 record. Under coach Tom Robinson, the Saxons made a great comeback at the end of the season, to show the fans of their potential as future varsity stars.

Everette, Co-captain, makes one of his favorite shots!



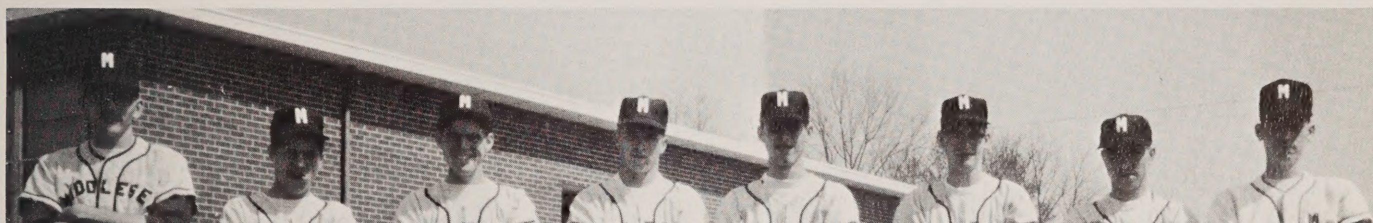
David, Co-captain, makes one of his great shots!

Coach Johnson discusses the situation with co-captains Al Sibley, left, and Al Selby, right.

# BASEBALL

Last year's baseball season was a tremendous success as the Saxons finished second in the district with a 7-1 record. This year the team has decided to settle for no less than the championship. With seven returning starters, the Saxons will be tough. In the hitting department, the Saxons have two .300 hitters in Hugh Dunlevy and Al Sibly, while Al Selby is a .400 hitter. In the pitching department you find two great pitchers Al Selby and Richard Wright. Last season Al Selby had a 4-1 record, while Richard Wright had a 3-0 record.

Behind the Saxons this year will be Coach Bob Johnson, who led the team to second place last year. With his knowledge of baseball the Saxons are looking forward to the baseball trophy.



TEAM, First row, Left to right; Roy Jackson, Richard Wright, Ray Rodgers, Benja Callis, Larry Burch, Al Selby, Bunky Revere. Second row; Coach Johnson, Meredith Miller, Eugene Snead, Al Sibley, Al Hudgins, Dickie Marshall, Allen Edwards, David Barrick. Not pictured; Hugh Dunlevy.

# SOFTBALL

This year the girls softball team started out with a new and inexperienced squad. This year the team has a new coach, Mrs. Creger. Along with hard work, constant practice and the skillful coaching of Mrs. Creger the team had a very successful season.

Mrs. Creger and team captain, Linda Mason pause briefly to look the situation over. Co-Captain Georgia Hartman was absent when the picture was taken.

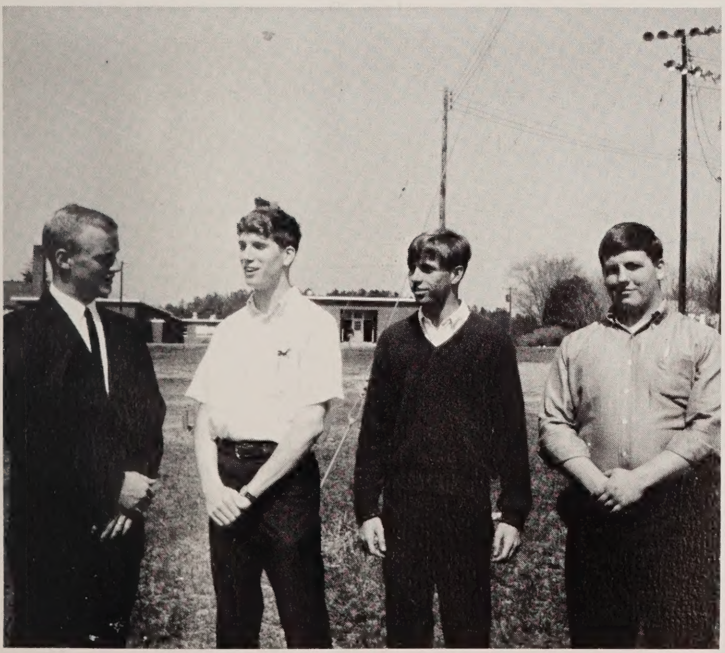
TEAM, First row, Left to right; Terry Parks, Carol Mason, Bonnie Barrett, Virginia Clark, Kathleen Kellar, Irma Jesse, Shirley Williams, Diane Regensburg. Second row; Coach; Mrs. Creger, Margaret Marshall, Debbie Tye, Carolyn Horton, Linda Verlander, Linda Mason, Lottie Powell, Kay Creech, Sue Williams, Managers; Donna Hurley, and Mary Smith.

TEAM, First row, Left to right; Jerry Eastridge, Tommy Weston, Richard Russell, Vince Hadad, Wayne Hall, Tommy Brame, Larry Chowning. Second row; Jimmy Davis, Thomas Williams, Jerry Bray, Allen Scales, Dickie Marshall, James Whitaker, Coach Robinson. Not pictured; David Hooks.

# TRACK

The track team last year finished in third place after a three-year dynasty in first place. This year the Saxons behind the coaching of Tom Robinson hope to regain their first place dynasty.

All of the long-distance running will be controlled by Larry (choo-choo) Chowning. The weights will be troubled by James Whitaker, while David Hooks specializes in the field events. The track team of '68 looks forward to a great year.



The track team wouldn't have been the same without these Senior boys and Coach Robinson.

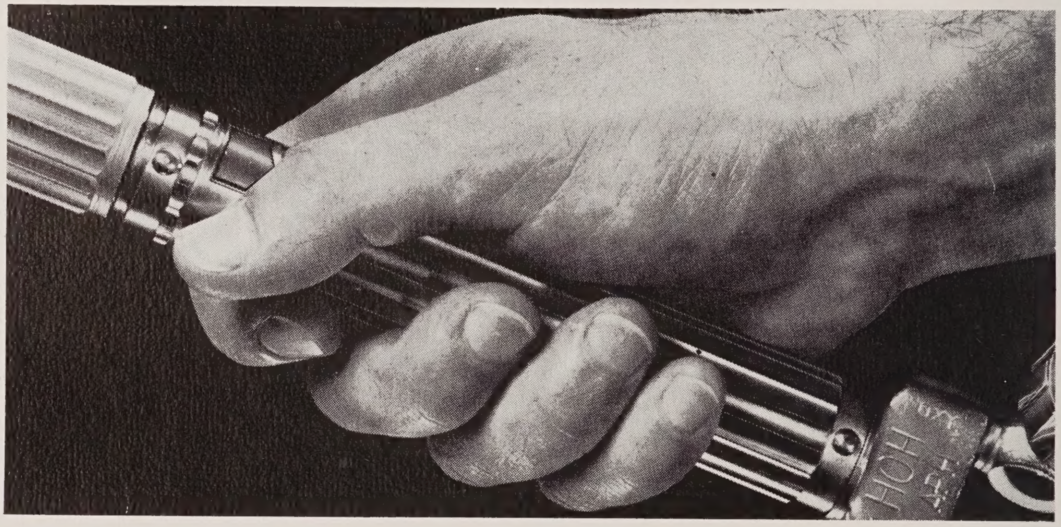
GOOD SHIPS START HERE



Fine ships don't roll off a production line. They're built efficiently and well only by men whose skills and knowledge are broad. That's why Newport News begins at the beginning with its own selective Apprentice School.

High School graduates enter on the basis of academic record. But selectivity doesn't stop there. In classroom and shop, in the drafting room and out in the yard, each man's special abilities are watched and developed.

Some become skilled and versatile machinists. Others become expert electricians or precision tool makers. Many become supervisors. Some earn scholarships for advanced training at colleges and technical schools.

We think the School's a pretty inspiring place, because its end results are good men and good ships.
